

# URIMAT®

The clean solution. No water, no chemicals

## Cost Analysis Example (Euro) – Ireland

### Major advantages with URIMAT:

URIMAT ecoplus

URIMAT eco

- **Reduced maintenance & service costs! No Urine-Scale build-up in pipes.**
- Is delivered ready for assembly (*all fixing materials like screws etc. are included*)
- less soiled area due to special shaped bowl
- Odourless function and low maintenance costs
- Manufactured with a High-Tech sanitary-plastic (*Polycarbonate*) and unique production procedure, the URIMAT has a pore-free surface and is **break-resistant & vandalism-proof**
- Touch less operation – No additional sensor costs
- The model *plus* & *info* can generate extra income through their advertising display or serve as a platform to convey environmental awareness.
- **Ecological sensitive product, without any chemicals**
- CO<sub>2</sub> – neutral manufacturing

## Cost Analysis

Number of Urinals: 1

Average Uses per day per urinal: 100

Duration: **24 months**

	Water Flushed Urinal	URIMAT - waterless Urinal
Average Daily Uses per urinal	100	100
Days open during 24 months	720	720
Uses during 24 months	72,000	72,000
Mains water consumption in 24 months (litres)	525,600 <sup>1</sup>	0
Water Charge & Sewerage Discharge for 24 months	€ 1,314.00 <sup>2</sup>	€0
Maintenance Cost for 24 months (pipe blockages-urine-scale – professional cleaning)	€ 150.00 <sup>3</sup>	€0
URIMAT MB-Active Trap (~ 7 x changes in 24 months)	€0	€ 195.30 <sup>4</sup>
Conventional Chemical Cleaner		
Cost per water-flushed urinal in 24 months	€ 55.00 <sup>5</sup>	€0
URIMAT MB-Active Cleaner with Kalkex	€0	€ 19.80 <sup>6</sup>
Operational Cost over 24 months	<b>€ 1,519.00</b>	<b>€ 215.10</b>

<sup>1</sup> Currently: 2 x urinals are fed from 1x cistern (10 l) every 10 mins.; > 5x litres/flush x 6 flushes/hour x 24 hours x 365 days = 262,800 litres p.a.

<sup>2</sup> Based on Consolidated Water Charge: Water Supply + Waste Discharge = € 2.50/m<sup>3</sup>

<sup>3</sup> Figure is a realistic estimate

<sup>4</sup> URIMAT waterless urinal already comes with 1 MB-Active Trap, 7 x MB-Active Traps extra required over 24 months; unit price depends on batch size  
unit prices = batch of: **6 pcs. (€27.90 + VAT/Trap)**, 12 pcs. (€ 26.90 + VAT/Trap), 24 pcs. (€ 25.90 + VAT/Trap), 96 pcs. (€ 23.90 + VAT/Trap) – delivery charges always included!

<sup>5</sup> Figure is an estimate

<sup>6</sup> 10 Litre Canister of URIMAT MB-Active Cleaner with Kalkex @ € 99.00 + VAT; to be diluted 1:20 with water; on average 1x litre of the concentrate approx. sufficient for 1x urinal per year!

# URIMAT®

The clean solution. No water, no chemicals

**Operational Saving with URIMAT for 1x urinal after 24 months:**

**€ 1,309.90<sup>7</sup>**

Cost of 1x URIMAT eco (without display):	€ 475.00 + VAT	
Cost of 1x URIMAT ecoplus (with display):	€ 548.00 + VAT	
Cost of 1x URIMAT ecovideo (with 7" LCD video-display):	€ 890.00 + VAT	
Cost of 1x URIMAT compactplus (with display):	€ 475.00 + VAT	
Cost of 1x URIMAT compactvideo (with 7" LCD video-display):	€ 825.00 + VAT	
-----		
Cost of 1x URIMAT ceramic compact:	€ 478.00 + VAT	(discontinued)
Cost of 1x URIMAT ceramic:	€ 548.00 + VAT	(discontinued)
Cost of 1x URIMAT ceramic C2:	€ 498.00 + VAT	(new model with NRV)
Cost of 1x URIMAT ceramic 20:	€ 548.00 + VAT	(new model with NRV)

Please note: URIMAT MB-Active Cleaner with Kalkex and URIMAT MB-Active Traps are available for next day delivery – delivery: free of charge<sup>8</sup>

**The return on investment with URIMAT will be possible within the first year from installation!**

**CO<sub>2</sub> reduction with URIMAT for 1x urinal after 24 months:**

**91.98 kg<sup>9</sup>**

**URIMAT – the waterless urinal - no water, no oils, no chemicals, no odour -**

<sup>7</sup> Figure is calculated on the basis of current water charges. Any increase in water charges will lead to greater savings.

<sup>8</sup> Delivery free of charge for all orders over € 100.00 excl. VAT; next (working) day delivery for orders received before 10.30 a.m.

<sup>9</sup> 100,000 litres of mains water is the equivalent to 17.5 kg of CO<sub>2</sub> emissions.

## Further advantages with URIMAT:

- Swiss Quality
- superior urinal and washroom hygiene
- award-winning waterless urinal; Waterwise – best waterless urinal in Great Britain!
- non-chemical operation (no sealant liquid) and maintenance (microbiological cleaning)
- no hidden rims for easy cleaning
- environmentally neutral urinal solution
- break-resistant & vandalism-proof urinal bowl (high-tech polycarbonate material)
- pin-point urinal operational costs to usage levels
- reduced deposits in waste pipe
